## Sea & Coastal Tourism

### 1. Alaçatı / Çeşme

You would not be able to discover Çeşme without visiting Alaçatı with its two-storey stone houses adorned with bougainvillea, fairy-tale windmills and narrow streets that are always windy.

### 2. Sığacık / Seferihisar

Sığacık, which was the northern port of Teos in ancient times, is one of the most popular tourism spots of Seferihisar with its world-famous Ekmeksiz and Akkum beaches. It is possible to reach the untouched and heavenly bays of the Aegean from here with boat tours. If you wish, you can add adrenaline to your holiday with windsurfing or you can discover the rich underwater world by diving.

### 3. Özdere / Menderes

Özdere, where the deep blue sea, historical texture and greenery coexist, is one of the beaches that those who go to Menderes should not return without visiting. You can enjoy the clear sea in Özdere, which has a 30-kilometer coastline with Ahmetbeyli.

### 4. Dikili Public Beach

Dikili Public Beach is a flawless blue flag award-winning beach in the center of Dikili with a continuous length of more than 5 kilometers and an average width of 50 meters.

### 5. Demircili Beach / Urla

Demircili Beach, 24 kilometers from the center of Urla, is one of the first addresses for those who want to cool off in summer with its clean waters. The windy beach is also one of the first choices of surf lovers.

### Mersinaki Beach/ Foça

Mersinaki Beach, between Old Foça and New Foça, draws attention with its untouched nature. To reach the bay, you have to leave your car above and walk. It is not a difficult course, the trails are open. Mersinaki Bay also offers camping opportunities.

### Güzelbahçe Municipality - 2<sup>nd</sup> Harbor Public Beach

Güzelbahçe is one of the favorite districts of the city with its unique nature and 7.2 kilometers of coast. The coast in the region, which is referred as the second port, is 25 meters wide and 130 meters long.

### Pamucak Beach

Pamucak Beach, which is approximately five kilometers in length, is ten kilometers from the district center. Offering a unique sea with its clear water, the beach is also the natural habitat of sand lilies.
